15th International Research Conference on Transglutaminases in Human Disease Processes
University Residential Center of Bertinoro, Italy

May 19-May 23, 2024

Conference Chairs: Elisabetta Verderio and Kiyotaka Hitomi.

PRACTICAL INFORMATION

Registration and travel

The registration fee (approximately € 550 per participant) supports the lodging and food (breakfast, lunch, dinner, coffee breaks) during all 4 days of the meeting, and other amenities.

The Conference Centre arranges transportation from Bologna Centrale railway station, which will also be included in the registration fee (as group transport at fixed times).

Bologna Centrale railway station (within easy reach from the Bologna G. Marconi airport) is well connected with several famous Italian cities (e.g. Florence, Milan, Rome, Naples and Venice) by high-speed trains (Frecciarossa or Italo). This offers the possibility to rely not only on Bologna airport for international travel but also alternative airports.

Travel funds

We are happy that many organisations are considering to sponsor this event, which is an important recognition for our strong scientific community, however at present we are sorry we cannot confirm the amount of financial support.

It is early days for a financial commitment, but we will invite pre-registrations as soon as possible to facilitate the event planning. A Conference web site is under construction.

Location

The University Residential Center of Bertinoro is situated halfway between the cities of Forlì and Cesena, well connected to Bologna and the famous University. Bertinoro is a medieval citadel rich in walls, towers and ancient houses, located on the hill "Mount Cesubeo". The village is well-known for its wines and its gastronomy.

The University Centre is located inside three unique buildings on the hilltop of Bertinoro: the Bishop's Fortress; the Rivellino; the former Seminary. The Conference areas and the guestrooms are all located within these buildings. All rooms have wi-fi connection and en-suite bathroom. More information available at <https://www.ceub.it/?lang=en>.

We would very much appreciate knowing whether you can confirm your participation. It is necessary that we receive your reply as soon as possible please for the smooth organisation of the event.
