**Zedira supports Gordon Research Conference on  
“Transglutaminases in Human Disease Processes: Understanding  
the Varied Pathological Roles of a Multifunctional Enzyme Family”**

Zedira is very proud to support for the 4<sup>th</sup> time the Gordon Research Conference dedicated to Transglutaminase. The conference will be held from **July 10<sup>th</sup> until July 15<sup>th</sup>, 2016** at PGA Catalunya Business and Convention Centre in Girona, Spain.

“The 4<sup>th</sup> Gordon Research Conference on "Transglutaminases in Human Disease Processes" will delve into many disease areas to try and establish where Transglutaminases are central to the disease process so we can better understand the interaction of function with the pathogenic roles being ascribed.” (Source GRC)
