Zedira supports Gordon Research Conference

“Towards Understanding and Modulating Transglutaminases in Human Diseases”

Zedira is very proud to support for the 5th time the Gordon Research Conference dedicated to Transglutaminase. The conference will be held from **June 17th until June 22th, 2018** at [Les Diablerets Conference Center](#) in Les Diablerets, Switzerland.

“The meeting will discuss the latest cutting-edge research in transglutaminase chemistry and biology, bringing together the most eminent and innovative researchers, young investigators, trainees and newcomers to this field from across the world. We cordially invite everyone interested in transglutaminases to join the conference.” (Source [GRC](#))

Please notice that Zedira offers the full range of products for transglutaminase and celiac disease research. For detailed information concerning our products please refer to our web site: www.zedira.com

We are continuously enlarging our product portfolio in order to fulfil researcher’s requirements in the field of transglutaminase R&D. Should you have any questions or queries about our products, please do not hesitate to contact us: contact@zedira.com
