
March 15th, 2019

Zedira proudly supports Workshop on Transglutaminase:

“Innovative ideas and approaches to emphasize the future of Transglutaminase research”

The meeting will be held from **September 28th until October 1st, 2019** at Hotel Kenzi Rose Garden in Marrakech, Morocco.

Saïd El Alaoui, Chairman of the organizing committee stated:

“The scientific program will pave a way to gather visionaries through the research talks and presentations and put forward many thought provoking strategies in the field. The 3 days event will emphasize on the latest advancements in research where TGs are involved and provides robust discussions on methods and strategies related to Research and Development (R&D), Diagnosis and Treatment of some diseases as well as explore new ideas and concepts for the valorisation of these enzymes.”
