
Zedira supports the Transglutaminase Session at the ASPET Annual Meeting at Experimental Biology 2014.

The symposium entitled “[Not just a glue: Pharmacology, Physiology, and Pathology of Transglutaminases](#)” will be held **April 29th 2014**, 9:30 AM – 12:00 PM, at the San Diego Convention Center, Room 3 (San Diego, USA).

“The focus of this symposium will be on the novel and compelling functions of the transglutaminase (TG) family of enzymes **in the cardiovascular system**, an untapped area of research relative to TG function.” (ASPET)

Chairs are Stephanie Watts (Michigan State University) and Erik Bakker (University of Amsterdam).

Please notice that Zedira offers the full range of products for transglutaminase and celiac disease research. For detailed information concerning our products please refer to our web site: www.zedira.com

We are continuously enlarging our product portfolio in order to fulfil researcher’s requirements in the field of transglutaminase R&D. Should you have any questions or queries about our products, please do not hesitate to contact us: contact@zedira.com
