
Zedira supports Gordon Research Conference on
“Transglutaminases in Human Disease Processes: Molecular
Dissection of Human Diseases Pathogenesis”

Zedira is very proud to support again the Gordon Research Conference dedicated to Transglutaminase. The conference will be held from **June 29th until July 4th, 2014** at Renaissance Tuscany Il Ciocco Resort in Lucca (Barga), Italy.

“The meeting will cover cutting-edge research on the biology of transglutaminases with themes focusing on the biochemical pathways and cellular mechanisms involving Transglutaminases in human health and disease processes.” (Source GRC)

Please notice that Zedira offers the full range of products for transglutaminase and celiac disease research. For detailed information concerning our products please refer to our web site: www.zedira.com

We are continuously enlarging our product portfolio in order to fulfil researcher’s requirements in the field of transglutaminase R&D. Should you have any questions or queries about our products, please do not hesitate to contact us: contact@zedira.com
