

Transglutaminase Newsletter February 2009

A complete range of antibodies available from Zedira!

Antibodies to human transglutaminases

- raised in rabbit against full-length transglutaminase recombinantly produced in insect cells
- purified IgG

A018	polyclonal antibody to human keratinocyte transglutaminase (TG1)	500 µg	345 €
A014	polyclonal antibody to human tissue transglutaminase (TG2)	500 µg	345 €
A015	polyclonal antibody to human epidermal transglutaminase (TG3)	500 µg	345 €
A017	polyclonal antibody to human neuronal transglutaminase (TG6)	500 µg	345 €
A016	polyclonal antibody to human blood coagulation factor XIII (A-subunit)	500 µg	345 €

- raised in rabbit against 15 amino acids C-terminal-TG2 peptide
- antiserum

A003	polyclonal antibody to human tissue transglutaminase (TG2)	200 µl	345 €
------	--	--------	-------

- monoclonal antibody against purified guinea pig liver transglutaminase

A004	monoclonal antibody to tissue transglutaminase (TG2)	200 µl	345 €
------	--	--------	-------

Antibodies to bacterial transglutaminase

- purified IgG
- raised in rabbit against full-length transglutaminase recombinantly produced in *E. coli*

A019	polyclonal antibody to bacterial transglutaminase (bTG, MTG)	500 µg	345 €
A020	polyclonal antibody to bacterial protransglutaminase (pro-bTG, pro-MTG)	500 µg	345 €

Antibodies to gliadin

A011	monoclonal antibody to gliadin (alpha, beta, gamma, omega)	1 mg	345 €
A013	monoclonal antibody to gliadin (gamma, omega)	1 mg	345 €

Antibody to plasminogen

- purified IgG
- raised in rabbit against full-length plasminogen recombinantly produced in yeast

A021 [polyclonal antibody to human plasminogen \(rhPLG\)](#) 500 µg 345 €

For detailed information concerning our products please refer to our web site (www.zedira.com).

Should you have any questions or queries about our products, please do not hesitate to contact us: contact@zedira.com

We are continuously enlarging our product portfolio in order to fulfill researcher's requirements in the field of transglutaminase R&D. For special requirements please contact us: contact@zedira.com.
